What We Do:

Since 1981, Sycor Technology has been offering our customers quality service as a distributor and manufacturer of both electronic and electrical types of wire, cable, tubing, cable management products and harnesses. With an extensive, well maintained inventory, Sycor has become one of the leading suppliers in North America. In our Mississauga facility, we produce exceptional quality products in a fraction of the time taken by our competitors.

Markets Served:

- Automation and Control Systems
- Broadcast and Entertainment
- Electrical Transformers
- Environmental
- Gaming
- Industrial Equipment
- Instrumentation Systems
- Lighting and Ballast Systems
- Marine industry
- Medical and Emergency Services
- Military and Aerospace
- OEM Manufacturing
- Oil and Gas Industry
- Power Management
- Process Control
- Rail and Power
- Robotics
- Security and Fire Alarm Systems
- Solar Energy
- Telecommunications and Monitoring
- Transit and Automotive
- Utility and Water Treatment Systems

Sycor takes its business to the next level by going beyond wire and cable. We stand out from our competition by also offering a full line of cable management products, providing value-added services and by manufacturing wire harnesses and cable assemblies. Make Sycor your One Stop Shop! Quality products and service is our guarantee!

Just In Time Delivery!:

We encourage our customers to place a 12-month blanket purchase order to cover annual requirements. The materials are held exclusively for our customer and can usually be expedited for delivery within one business day. This gives our customers great flexibility in scheduling their production.

Benefits:

- Cost certainty: product price remains fixed throughout the term.
- Companies with minimal storage space can let us store for them.
- Flexible shipping dates.
- Placing one purchase order is more cost effective than many purchase orders.
- Blanket purchase orders for harnesses and assemblies eliminate lead times.

Extensive Value-Added Services:

- Colouring
- Dyeing
- Striping
- Tracer Marking Wire Marking
- Printing
- Twinning/Twisting
- Wire Cutting and Stripping
- Kitting and Labeling
- Conductor Tinning
- Bonding Parallel/Ribbon
- Tube Cutting and Marking
- Terminating
- Custom Armoring
- Custom Re-Spooling
- Quick Pull (Bundling)

Cable Management

- Heat Shrinkable Tubing
- Expando Sleeving
- PVC Tubing
- Fiberglass Sleeving
- Teflon Tubing and Sleeving
- Spiral Tubing
- Lacing - Braid Cord
- Cable Ties
- Cable Markers
- Miscellaneous Electrical Insulations and Tapes
- Terminals and Connectors

Wire Harnesses & Cable Assemblies

- Automation and Robotics
- D-Subminiature Cable Assemblies
- Automotive Assemblies
- Custom Application and Design
- Custom Ground Straps
- Coaxial and Video Systems
- Ribbon Cable Assemblies
- Custom Cord Sets
- Terminating (Ring, Faston)
- Fiber Optic Assemblies
- Power Cords

Wire and Cable Products:

CSA, UL, CE, Mil-Spec

Hook up & lead wire:

- High Temperature Wire
- UL and CSA Style Wire
- Appliance Wire
- Automotive Wire
- High Voltage
- Harmonized (HAR) and European CE
- Switchboard Wire
- Military Specified Wire
- Coil Lead
- MTW
- Equipment Wire
- Irradiated Hook-Up Wire

Portable Power Cable:

- SJOOW Type Rubber Cord
- SOOW Type Rubber Cord
- SJTOW/SJEOW Plastic Cord
- STOW/SEOW Plastic Cord
- Plastic Cordage
- Parallel Cordage
- Transit Cable
- Welding Cable
- Diesel Locomotive Cable
- Motor Lead Wire
- Stage Lighting
- Mining Cable
- Cord Sets
- Type W
- Aircraft Cable
- Audio Cable
- Power Cable 2KV to 35KV
- Trailer Cable
- Marine Cable

Electronic Wire & Cable:

- Coaxial and Triaxial Cable
- Low Voltage Thermal (LVT)
- Fire Alarm
- Signal Cable
- Multi-Conductor Cable
- Multi-Pair Cable
- Computer Cable
- Plenum Cable
- Ribbon Cable
- SGX, SGT Cable
- Metering Wire
- Uninsulated Bus Wire
- Kynar Wire Wrap
- Custom Cable
- Retractable Cords
- Test Leads
- Audio Cable

Irrigation Products:

- Sprinkler Cable
- Underground Feeder Cable
- Pump Cable
- Ground Kits and Rods
- Low Voltage Lighting
- Direct Burial

Automation, Control, &

Instrumentation:

- Tray Cable (PLTC)
- Robotic Cable
- Variable Frequency Drive (VFD) Cable
- Process Control Cable
- Festoon Cable
- Thermocouple Wire and Cable
- Instrumentation Cable

Fiber Optics:

- Single and Multimode Fiber
- Hybrid Fiber
- Connectors
- Hardware
- Fiber Patch Cords
- Fiber Termination Boxes

Network Data Cable:

- Category 3, 5e and 6 UTP
- Outdoor Category 5e
- Armored Data Cable
- Shielded Data Cable
- Patch Cords
- Composite Cables
- RG Coaxial Cable
- Patch Panels
- Wall Plates and Jacks
- Plenum Cables

Braid & Ground Straps:

- Braid Tubular/Flat
- Insulated Braid
- Copper Mesh

Motor Rewind Products:

- RTD
- Mica Products
- Slot Liners
- Rigid Tubing
- Rods
- High Temperature Insulation
- Uninsulated Hook-Up Wire
- SEW
- EPDM and Rubber Wire
- Teflon Wire (ETFE, FEP, PTFE)
- Magnet Wire
